

Fun things to do

Traditional boat mop - sheet 1 of 1

You will need:

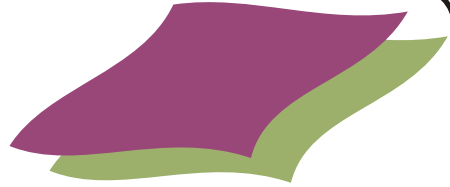

A pea stick
or similar stick

A 20cm length
of thin wire

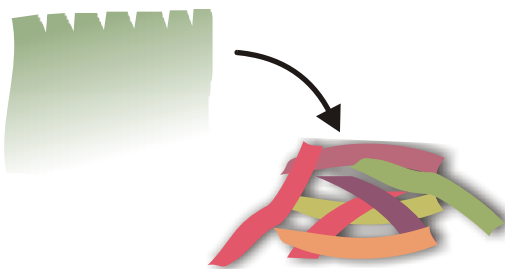

Coloured sticky tape

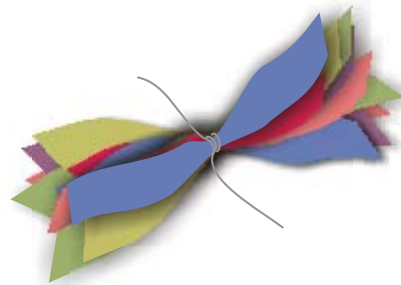

Coloured thin fabric for tearing

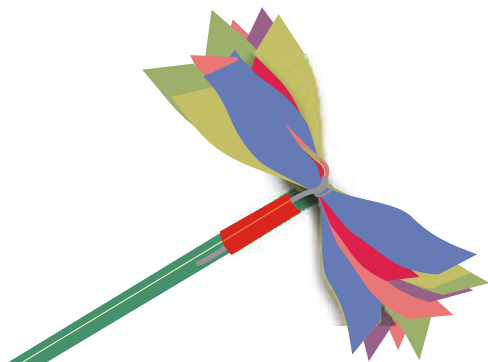

- 1 Tear the fabric into about 20 strips 25 - 30cm long. Cut small slits in the end of the fabric sheet to make it easier to tear.

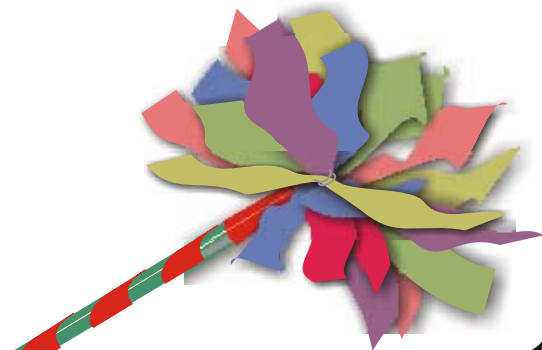

- 2 Wrap the wire round the middle of the bundled strips of fabric.

- 3 Fold the ends of the wire along the side of the pea stick and tape it down.

- 4 Wrap a thin strip of coloured sticky tape round the pea stick in a spiral to create the finished look.

Top tip:

- Use a variety of different coloured fabrics to create the best effect.
